## ABOUT THE UNIVERSITY:

In the early 1920s Rajah Sir S. R. M. Annamalai Chettiar founded Sri Minakshi college, Sri Minakshi Tamil College and Sri Minakshi Sanskrit College at Chidambaram. In 1928, Rajah Sir S. R. M. Annamalai Chettiar agreed with the local Government to handover the above said institution for establishing a University. Thus, on 01.01.1929 Annamalai University was established as per Annamalai University Act 1928 (Tamil Nadu Act 1 of 1929). One of the most significant developments is the enactment of the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which has come into force from September 25, 2013. Annamalai University is accredited with 'A' Grade by NAAC in 2014. "The NIRF-2018" by the Ministry of Human Resource Development (MHRD) has ranked the University in the band 101 - 150 in the overall category as well as the University Category. In the Pharmacy Category the ranking is 20<sup>th</sup> in India. In the Medical Category the ranking is 24<sup>th</sup>. "The Times Higher Education World University Ranking - 2019" has ranked Annamalai University in 1000+ for Overall category. In the Subject category Ranking, 2019, the University is ranked in the band of 501-600 for Life Sciences and Pre-clinical, clinical & Health Subjects. 800+ in the Physical Sciences subject. "The QS World University Ranking - 2019" has ranked Annamalai University in the band of 291 - 300 in Asia Ranking, 174 in the BRICS Ranking and 43 in India Ranking. "The CWTS Leiden Ranking 2018", on scientific impact of universities and on universities' involvement in scientific collaboration & scientific performance, has ranked the University at 20<sup>th</sup> based on the number of publications and 4<sup>th</sup> based on the proportion of publications that, compared with other publications in the same field and in the same year, belong to the top 10% most frequently cited. "The MDRA - India Today Ranking" (2018) has ranked Annamalai University 13<sup>th</sup> among the best Government Universities in India. Among the top 197 ranked institutions for Higher Education in India the "SCImago Institutional Ranking (2018)" has ranked Annamalai University as 7<sup>th</sup> in Tamil Nadu and 32<sup>nd</sup> in India. Annamalai University is one of the largest unitary, Teaching, and residential Universities in Southern Asia comprising of 10 Faculties and 49 departments of study. This University has played a pivotal role in providing access to higher education to thousands of youth cutting across the social spectrum, especially from economically and socially disadvantaged classes. In this respect, this University's service to the nation is tremendous.

## DEPARTMENT OF EDUCATION

The Department of education is a beehive of academic activities since its inception in 1953. The building of the department of education was unveiled by the eminent philosopher and former President on 26<sup>th</sup> December 1953.

The Department offers B.Ed., M.Ed., M.Phil., Ph.D., and D.Litt Programmes. All the teacher Education Programmes are recognized by the NCTE. The vision of Department of Education is "Preparing the competency based committed oriented teachers to create a better progressive social order, promotion of research, experimentation and development of productive efficiency of the educand". The distinguished alumni of the Department of education are vice-Chancellors, Deans and Heads of the Department in various Universities, Principals in various colleges, Chief Education Officers and District Education Officers. The department has been supported by UGC-SAP-DRS-II. It has so far produced 238 M.Phils and 200 Ph.Ds. Several Conferences, Seminars, Workshops and Training Programmes in the field of Education have been organized by the Department of education. In view of the 90<sup>th</sup> year celebration of Annamalai University the Department of Education is organising this National Seminar.

## NATIONAL SEMINAR:

A great reward for any teacher is to successfully facilitate slow learners to succeed and Excel beyond their expectations. Most slow learners are usually left behind if a teacher sticks to an ivory tower. A good teacher is expected to identify slow learners way before thinking about approaches to facilitate their learning. During the past few years the world has witnessed a phenomenal growth in technology which have created numerous possibilities to use a variety of new technology tools for teaching and learning system. The growth of these communication and computer systems, their ease of use, the power and diversity of information transfer allow teachers and students to have access to a world beyond the class room. Not only mastering ICT skills but also utilizing ICT to improve teaching and facilitate learning among slow learners is of utmost importance for teachers in performing their role of creators of pedagogical Environments. We will have to make use of the rich and exciting opportunities offered by the emerging technologies in education to reach our goal and vision.
